

## Physician – Weight Loss/Bariatric

### Position Summary

Enjoy work/life balance and flexibility in your schedule while overseeing patients in our prescription and/or calorie-restricted weight loss programs and bariatric surgery tract program.

### Clinic Locations and Scheduling

Opportunities are available throughout our 33 weight loss clinics in Michigan and Ohio.

You will visit each assigned clinic approximately every other week, with each visit lasting about 2-3 hours. There is some flexibility in scheduling your visits during our open hours of operation: 8am-6pm or 9am-7pm and 9am-1pm every Saturday.

### Requirements

- Current unrestricted license to practice medicine in the state of Michigan
- Prior direct experience in the field of weight loss or bariatrics is highly preferred, but multiple specialties will be considered
